

# DISCOVERY DAY I

This program is designed to be one hour in length. For most children this will be their first introduction to horses, stables and farm animals. Discovery Day personnel guide guests on an educational tour a working farm in inner city Philadelphia. The educational tour includes: equine behavior, stable terminology, hayloft, stable management, health and safety and an overview of how a working stable operates. The tour culminates with a grooming session of a horse or pony and question and answer session.

**\$5** per person

9am - 4pm

Minimum of 10/ Maximum 30 attendee's

Day and time subject to availability
